DOG

A large projection screen displays a grid of nine dog photos. The photos are arranged in three rows and three columns. The central photo in the middle row is replaced by a yellow box containing the text "SAPT Hellas" in blue and black. Below the text, in smaller black font, is the name "Συντονιστής: Μαρίνα Ζαχαράκη-Ευαγγελάκη". The other eight photos show various breeds of dogs, including a golden retriever, a black and white dog, a black dog, a white dog, and a black dog with a white patch.
